On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: HB3115

It's much more convenient for me to cash it in my town because I don't have a car and live far away and it's almost impossible to get a ride there. And I'm expecting to get my cash up front when I do when rather than mailing it. I got bills. If it went through id probably just quit gambling atleast through Oregon lottery!
