

Submitter: Phillip Callaway

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: HB2978

Chair Golden, Vice-Chair Nash, and Members of the Committee:

I strongly support HB 2978-A because wildlife crossings are highly effective at saving lives and Oregon needs more of them. Passing HP 2978-A and an option for permanent state-level funding of wildlife crossings will improve the safety of our roadways, enable safer movement of wildlife, and improve Oregon's chances of getting federal funding.

Please continue the progress that has already been made in Oregon on wildlife crossings and pass HB2978-A.

Sincerely,
Phillip Callaway
