Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB2945

Dear Co-Chairs Gorsek and McLain, Members of the Committee,

My name is Peter Kokopeli and I live in Portland, OR.

I urge you to support HB 2945 and the -1 Amendment, which will accelerate Oregon's transition to zero-emission school buses. This bill is a common-sense and urgently needed investment in the health of our children, the air we breathe, and the future we are building for Oregon..

HB 2945 is about protecting our kids. It will make our communities healthier. It will move us towards a clean, just transportation system for all Oregonians.

I urge you to prioritize zero-emission transportation investments as part of Oregon's broader transportation funding package.

Thank you for your leadership and for your commitment to a healthier, more sustainable Oregon.
