Measure, Appointment or SB5505
Topic:

My name is Ty Holloway and I am a fly fishing guide based out of Springfield. Guiding is my full time job and it is how I support my family. I am also president of the McKenzie River Guides Association, a 501(c)4 organization.

I am strongly in support of this measure. Throughout my 15 years as a full time fly fishing guide, I have witnessed first hand how much opportunity and revenue is generated in rural communities through hatchery trout salmon and steelhead programs. Many of my customers come from out of town and out of state spending their money in these rural areas that have little industrial opportunity.
