

Submitter:	Dr. Farnad Darnell
On Behalf Of:	All babies to be abandoned
Committee:	Senate Committee On Early Childhood and Behavioral Health
Measure, Appointment or Topic:	HB2901

Stop baby boxes! They are detrimental to any individual who will seek their original identities when they're older. As a foundling myself, baby boxes are tantamount to being abandoned without any identity or medical history of their birth family. It is frustrating and cruel to do so in this day and age. Stop this now!!
