

Submitter:	David Wall
On Behalf Of:	Mr Oregon SUPPORTS HB 3141
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	HB3141

I SUPPORT [HB 3141 and -1].

Farmers and Ranchers need more than just a 'Special Day' to be recognized and celebrated.

Farmers and Ranchers need to be recognized, celebrated and 'Thanked' repeatedly for providing us foods and fruits of all kinds.

Farmers and Ranchers need timely and accurate Depredation claims being paid.

Farmers and Ranchers need protections from marauding residential housing developers.

Farmers and Ranchers need protections from Municipalities expanding their Urban Growth Boundaries thereby threatening their land and stressing out their livestock.

Farmers and Ranchers need special tax exemptions and protections from alleged climate-change regulations.

Farmers and Ranchers need more protections against siting High-voltage Transmission lines and Cell-towers on their properties.

Farmers and Ranchers need relief from siting Wind-Turbines (Bird-choppers) near their properties.

Yes indeed, Farmers and Ranchers need just more than one day to be recognized and celebrated.

David S. Wall
Mr. Oregon Concurs.
