Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: HB2978

Chair Golden, Vice-Chair Nash, and Members of the Committee. Thank you for the chance to comment. I write in support of HB 2978-A. Wildlife crossings using crossing structures are an effective measure and Oregon needs more of them. HB 2978-A and an option for permanent state-level funding to support wildlife crossing initiatives will improve motorist safety and remove barriers to wildlife. Please build on the legislature's important progress over the past five years by passing HB 2978-A. Sincerely, Sam Lowry, Redmond
