On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB2945

Dear Co-Chairs Gorsek and McLain, Members of the Committee:

My name is Dana Weintraub, and I live in Beaverton.

I urge you to support HB 2945 and the -1 Amendment, which will accelerate Oregon's transition to zero-emission school buses. This bill is a common-sense and urgently needed investment in the health of our children, the air we breathe, and the future we are building for Oregon..

HB 2945 is not just a smart climate policy — it's a moral imperative. It's about protecting our kids. It's about making communities healthier. It's about investing in the jobs of the future. And it's about building a clean, just transportation system for all Oregonians.

I kindly urge you to support HB 2945 and to prioritize zero-emission transportation investments as part of Oregon's broader transportation funding package.

Thank you for your leadership and for your commitment to a healthier, more sustainable Oregon.

Sincerely,
(Mr.) Dana Weintraub
