

Submitter: Joseph Stenger

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: HB2978

Chair Golden, Vice-Chair Nash, Members of the Committee:

My name is Joseph Stenger. I am Co-Chair of the Transportation Committee of MCAT, Mobilizing Climate Action Together. I am in strong support of HB 2978A.

Vehicle crashes are dangerous and can be deadly, both for humans and for wildlife. Crashes are costly and disruptive for drivers. We need highway improvements that reduce these collisions.

At this time when so much loss of species is having a dire effect on the biologic systems on which human life depends, protecting wildlife is valuable.

Please vote to move this bill out of your committee and support its passage in a floor vote.

Thank you for your hard work for all Oregonians.
