Re: **Policy Option Package 327 and HB 3196**

Co-Chairs Lieber and Sanchez, Co-Vice Chairs Girod, Gomberg, and Smith, and Members of the Joint Committee on Ways and Means,

I urge you to pass two pieces of legislation. The first is the Department of Justice Budget POP# 327 that will provide ongoing funding to stabilize critical survivor services programs (\$22M). This will maintain the same funding levels as in past years to ensure survivors of interpersonal violence can access the support they need and deserve, including crisis intervention, emergency shelter, safety planning, and advocacy.

The second is HB 3196, which will backfill VOCA funding (\$18.5M). Federal legislators are actively working on a sustainable fix for VOCA (H.R. 909), which has bipartisan support and, at last count, 148 co-sponsors. This one-time investment will ensure that when crime victims turn to agencies and systems providers for support, help will be there.

I have been a board and staff member of Clackamas Women's Services for the past four years and have seen firsthand just how essential these DOJ and VOCA-funded services can be. It is incumbent upon us to provide safe space and access to these essential services.

I urge you to vote in favor of POP# 327 and HB 3196. These funds are crucial for survivors of domestic and sexual violence. Thank you for your support and the opportunity to provide testimony.

Sincerely,

Jaclyn Sarna
Clackamas County Resident
