

Submitter: David Wall  
On Behalf Of: Mr Oregon OPPOSES HB 2804  
Committee: Senate Committee On Judiciary  
Measure, Appointment or Topic: HB2804

I OPPOSE [HB 2804] with prejudice.

[HB 2804] attempts to convince everyone 'consolidation' is more efficient and jurisprudence is preserved.

Even though most juvenile offenders should be treated as 'Adults' to answer for their crimes, most juvenile offenders are still "children with serious problems (for a variety of reasons) with society's rules."

[HB 2804] is 'Not' a 'consolidation issue' but rather a cheesy, 'cut-the corners issue' removing the juvenile experts ["...child psychiatrist, child psychologist, juvenile probation / parole position, juvenile law attorney..."] who have the requisite experience and training with juveniles from, "The Psychiatric Security Review Board."

The Governor "Appoints" members of, "The Psychiatric Security Review Board."

David S. Wall

Mr. Oregon Concurr and says, "I remember working with the Wards of the Juvenile Court creating a [10,000] acre park, making numerous 'fire breaks' and other conservation related projects. "
