Dear Co-Chair Fred Girod, Co-Chair Rob Nosse and Members of the Subcommittee on Capital Construction,

I am urging your support for the \$85 million in bonds for the PSU's request for a new performing arts center. This is just a great opportunity to be thinking positively and growth oriented to support this great city of Portland. We have always been known for our arts and this is a critical juncture point, similar to the waterfront or the esplanade. I hope you can vote yes, and look back years from now, and know that you were part of this great, transformational decision.

Thanks.
