

Submitter: John Kirby

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On  
Capital Construction

Measure, Appointment or Topic: SB5505

I am in favor of full funding for our fish hatchery and stocking programs. Recent genetic research (ODF&W) has conclusively shown hatchery fish to be of significant benefit to our aquatic and forest ecosystems. They are absolutely vital to the health and well being of our recreational and commercial fisheries.

Sincerely, John Kirby,  
BS, Fresh Water Fisheries Management,  
Colorado State University.
