

Submitter: Jayne Simmons

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB3489

I oppose HB3489 and I urge you to oppose it also.

Raising taxes on timber will increase the cost of housing at a time when Kotek ran on making housing more affordable.

Oregon already has some of the highest state taxes in the country.

Say no to this legislation.

Thank you,

Jayne Simmons
