

Submitter: Jayne Simmons

On Behalf Of:

Committee: Senate Committee On Early Childhood and
Behavioral Health

Measure, Appointment or Topic: HB2901

I cannot believe that anyone would be in favor of this bill. It is sick, anti-human, and disgusting. Will Planned Parenthood monitor the drop-boxes?

There is no way that this should pass.

Please show that you are human and OPPOSE THIS HORRIFIC BILL.

Thank you,

Jayne Simmons
