

Submitter: Frank Lonergan  
On Behalf Of: I'm Mayor City of Woodburn  
Committee: Joint Committee On Ways and Means  
Measure, Appointment or Topic: HB5006

The City of Woodburn strongly supports the Woodburn Opportunity Center. This project will provide 50 affordable housing units for the city and as well as social services for our Community Members. It will provide good jobs during the construction phases and jobs that support our community after construction. Woodburn is currently one of the fastest growing communities in Oregon, however we are still regarded at a high poverty level. We are one of the most diverse communities in Oregon,  
We respectfully request that you approve funding for the Greater Woodburn Opportunity Center as it will be a good benefit for our community.

Thank you,

Frank Lonergan  
Woodburn Mayor
