I am writing in support of ongoing funding for the Essential Worker Healthcare Trust through SB 27 and SB 283. I've worked as a CNA for two years now and in that time, I've seen how much support is needed to continue the job. I think it is necessary for all healthcare employees. Since 2021, the EWHT has provided nearly 6,000 people like me with health coverage for ourselves and our families, please fund EWHT. -
