I am writing in support of ongoing funding for the Essential Worker Healthcare Trust through SB 27 and SB 283. I have traumatic and extensive hereditary eye disease retinal detachment glaucoma AMD which requires numerous Doctor visits and treatments and surgeries Insurance is very important because none of these things are cheap so being able to have insurance to cover my medical needs is extremely important especially as I age and my eye disease progresses. Since 2021, the EWHT has provided nearly 6,000 people like me with health coverage for ourselves and our families, please fund EWHT. - Lori O'Brien, Dietary Aide, Avamere Rehabilitation of Lebanon
