Dear Co-Chair Girod, Co-Chair Nosse and Members of the Subcommittee on Capital Construction,

I'm writing in support of \$85 million in Article-G Bonds for the Performing Arts + Culture Center (PACC) to support needed academic space and a PSU-run community theater as part of Portland State's Capital Construction Bond Request.

As a grad student in music at Portland State, I know this new arts center would enrich students' time here tremendously. I can't emphasize enough how needed this is. I also think it would have a positive impact on continuing to reinvigorate downtown, as well.

PSU students need your support. This is a rare opportunity to help reshape Portland's future and provide needed academic space at the university. Please support Portland State's Capital Construction Bond Request and invest in the PACC.
Sincerely,
Annie Thomas
