Dear Co-Chair Girod, Co-Chair Nosse and Members of the Subcommittee on Capital Construction,

I'm writing in support of \$85 million in Article-G Bonds for the Performing Arts + Culture Center (PACC) to support needed academic space and a PSU-run community theater as part of Portland State's Capital Construction Bond Request.

I am a third-year music student pursuing a degree in music composition. Spaces like the one proposed add untold opportunities for emerging artists like myself to feature their works. It also provides a place to build community and safe spaces that let all students know they are welcome in the arts.

PSU students need your support. This is a rare opportunity to help reshape Portland's future and provide needed academic space at the university. Please support Portland State's Capital Construction Bond Request and invest in the PACC.

Sincerely,

Jonathan Brinkley
