Dear Co-Chair Girod, Co-Chair Nosse and Members of the Subcommittee on Capital Construction,

I'm writing in support of \$85 million in Article-G Bonds for the Performing Arts + Culture Center (PACC) to support needed academic space and a PSU-run community theater as part of Portland State's Capital Construction Bond Request.

More modernized classrooms would greatly benefit future PSU students. By investing in our students this way, we better prepare them for careers in the arts. PSU's motto is "let knowledge serve the city," and the scale of reach this would have extends beyond the needs of students and faculty. It would revitalize downtown!

PSU students need your support. This is a rare opportunity to help reshape Portland's future and provide needed academic space at the university. Please support Portland State's Capital Construction Bond Request and invest in the PACC.

Sincerely,

Della Simone
