Dear Co-Chair Girod, Co-Chair Nosse and Members of the Subcommittee on Capital Construction,

I'm writing in support of \$85 million in Article-G Bonds for the Performing Arts + Culture Center (PACC) to support needed academic space and a PSU-run community theater as part of Portland State's Capital Construction Bond Request. This facility will encourage the arts in a city that perfectly represents them. Portland is full of fantastic artists who need a proper, safe space to present their creations. This facility will provide those things to the current and future generations of performers in this city.

PSU students need your support. This is a rare opportunity to help reshape Portland's future and provide needed academic space at the university. Please support Portland State's Capital Construction Bond Request and invest in the PACC.

Sincerely,

Kathryn Thomas
