Dear Co-Chair Girod, Co-Chair Nosse and Members of the Subcommittee on Capital Construction,

I'm writing in support of \$85 million in Article-G Bonds for the Performing Arts + Culture Center (PACC) to support needed academic space and a PSU-run community theater as part of Portland State's Capital Construction Bond Request. Portland State serves so many - support for this project means support for the future of so many who will in turn use these skills and talents to further the cities beautiful missions and connections, locally and globally.

PSU students need your support. This is a rare opportunity to help reshape Portland's future and provide needed academic space at the university. Please support Portland State's Capital Construction Bond Request and invest in the PACC. Sincerely,
Ian Timmons
