Dear Co-Chair Girod, Co-Chair Nosse and Members of the Subcommittee on Capital Construction,

I'm writing in support of \$85 million in Article-G Bonds for the Performing Arts + Culture Center (PACC) to support needed academic space and a PSU-run community theater as part of Portland State's Capital Construction Bond Request. As a music major at PSU, it's important to me that the music and theater department have the space that allows us to continue to grow in size and in ability.

PSU students need your support. This is a rare opportunity to help reshape Portland's future and provide needed academic space at the university. Please support Portland State's Capital Construction Bond Request and invest in the PACC.

Sincerely,
Jana Brown
