Dear Co-Chair Girod, Co-Chair Nosse and Members of the Subcommittee on Capital Construction,

I'm writing in support of \$85 million in Article-G Bonds for the Performing Arts + Culture Center (PACC) to support needed academic space and a PSU-run community theater as part of Portland State's Capital Construction Bond Request. I am a music education student and hoping to be a choral director! This new space would bring more people to the city and strengthen our music program even more. As a student, finishing a rehearsal space is really hard and it limits us. This new center would help students grow as musicians.

PSU students need your support. This is a rare opportunity to help reshape Portland's future and provide needed academic space at the university. Please support Portland State's Capital Construction Bond Request and invest in the PACC. Sincerely,
Felipe Araya
