Thank you for the opportunity to address this bill.

I oppose this measure. We have no actual data on 'why' people are here for "seeking" asylum reasons. None. We have many legal immigrants who fought hard to get into the USA and believes in our systems. To provide an exemption from fees/tuition becomes a reason to bloat our state and to overwhelm our schools.

Why would our citizens have to work one or two jobs to take classes while non-citizens apprently don't even have a work visa or green card to work - to get a free pass?

This bill proves discrimination against citizens of the US & the state.

I strongly oppose this bill.
