HB3489

Hello Committee members,

Please vote no on this bill. I cannot believe this is even being considered. This is unfair and will cause businesses to move out of the state along with hard-working tax payers. What you all need to do is audit where all the money is being spent and cut programs that are not necessary. For example:

1. Quit giving Hollywood film companies tax breaks.
2. Proposing giving government workers a holiday for the Lunar New Year, - bad idea.
3. A bill to raise \$800 million through tax gimmicks for a baseball stadium (SB110) - ridiculous
4. No more free food stamps for non-citizens
5. Free breakfast and lunch for all students (I witness the waste daily at school). Stop the madness.
6. A Task Force on Reparations HB2995 - quit wasting tax dollars.

There is so much waste. Just stop it and figure out how to live within your budget like the rest of us. Vote no on HB3489
