On Behalf Of: Mr Oregon OPPOSES HB 2741
Committee: Senate Committee On Early Childhood and Behavioral Health
Measure, Appointment or Topic: HB2741

I OPPOSE [HB 2741].

[HB 2741] is going to be very expensive.

[HB 2741] does not have a budget(s) and or funding source(s) to carry out a variation of universal health care.

Voters are not provided with enough information to make an informed decision concerning the fate of [HB 2741].

The authors of [HB 2741] should receive some accolade for their humanitarian pursuits to prevent and treat diseases. However, the very expensive nature of this program was conveniently omitted leaving the Voters outside in the cold, tax increases world.

[HB 2741] is incompetently constructed and therefore should be rejected and denied.

Mr. Oregon Concurs and says, "[HB 2741] is going to be really expensive."
