

Submitter:

Paul Murray

On Behalf Of:

Committee:

Senate Committee On Education

Measure, Appointment or Topic:

HB2586

When you subsidize something you get more of it. Oregon should not increase the magnet of larger public benefits to draw more illegal immigrants to the state. All we hear is Democrats and their constituents complaining about the lack of education funding and then they want to offer reduced tuition rates to a larger group of non-citizens. Enough of spending public funds to subsidize illegal immigration.
