Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB1198

The Oregon government is completely OUT OF CONTROL !!! The Gestapo leader Kotek is running this state in a perverted, disorderly, and unconstitutional manner. She needs to be removed from office for failure to comply with her oath of office to uphold the laws and constitution of Oregon, and these United States. Delegating decisions to her minion departments to make her look innocent is raping the life out of the citizens. At the very least with this bill is to STOP IT in its tracks.
