SB179

Dear Chair Kropf, Vice-Chairs Chotzen and Wallan, and members of the committee,

My name is Jill Roszel, and I support passing lasting recreational immunity protections to keep Oregon's trails open.

The bill as currently written importantly removes the sunset from the current law. This is critical! But the bill could be even better. I share support for the bill, but would like to have it on the record that we would like to see the following improvements to Oregon's recreational immunity statutes:

- Extend the increased level of immunity in Section 1 of the bill to private landowners who open their land to the public free of charge
- Trails serve dual purpose as both recreation and transportation facilities are covered under the law; address the problem of subjective intent

Thank you!

Jill Roszel
