

Submitter:	Trish Rossitto
On Behalf Of:	Chemeketans hiking club
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	SB179

Please make permanent the landowner immunity bill SB179.

It's so important that this law be implemented so that public or private land owners can safely open their land to trail users. I've hiked in many places where we were allowed access to beautiful places because a generous landowner trusted the hikers to be responsible for themselves and careful with the land they were allowed to use.

Thanks for your consideration.

Patricia (Trish) Rossitto
