Dear Chair Prozanski, Vice-Chair Thatcher, and Members of the Committee:

House Bill 2933 is the measure that asks the Oregon Legislature to approve new sentencing guideline amendments enacted by the Oregon Criminal Justice Commission by administrative rule following the 2023 and 2024 legislative sessions.

The Oregon Criminal Justice Commission (CJC) has administered the state's sentencing guidelines since 1995 and is the state's sentencing commission. Under ORS 137.667(1), the CJC is required to review all legislation that either creates new crimes or modifies existing crimes. Following the passage of legislation, the CJC amends affected OARs. Usually, this entails ranking crime seriousness of new and/or amended crimes and determining whether or not they should be classified as "person" crimes for the purposes of the sentencing guidelines.

Following these actions, the CJC is required to submit guideline amendments to the Oregon Legislature for its approval under ORS 137.667(2). If the Legislature does not approve the guideline amendments promulgated by the CJC, they will not become effective.

The rule amendments made following the 2023 and 2024 legislative sessions are as follows:

**OAR 213-003-0001(14): The following were designated as "person crimes" for the purposes of the Oregon Sentencing Guidelines:**

- Sexual Abuse by Fraudulent Misrepresentation (ORS 163.429) as defined in Crime Category 8, pursuant to Senate Bill 974 (2023)
- Unlawful Possession by Person 21 Years or Older (ORS 475C.337(3)(d)) as defined in Crime Category 8, pursuant to Senate Bill 326 (2023)
- Unlawful Possession by Person Under 21 Years of Age (ORS 475C.341(4)) as defined in Crime Category 8, pursuant to Senate Bill 326 (2023)

*Improving the legitimacy, efficiency, and effectiveness of state and local criminal justice systems.*
