

Submitter: Kathy fleck

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB3489

As if our taxes aren't high enough, now a SEVERANCE tax, ant-business tax, anti-working man tax, anti-family tax!!! When we log our property, we already get dinged on the proceeds & adding ANOTHER tax on top is just plain GREEDY!!
How about CUTTING the waste & abuse, balance a budget for once??!!!
