House Committee On Revenue

Measure, Appointment or Topic:

HB3489

I am writing in support of HB 3489 which will reinstate the timber severance tax in Oregon and support wildfire protection and prevention. Currently the largest timber companies are paying a fraction of the cost to protect their private land from wildfires. Oregonians and small woodland owners are picking up the majority of the cost. Reinstating the timber severance tax is a fair solution for all Oregonians. Thank you.
