Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

I'm a single mother of three children, going through college, and I've recently escaped domestic violence. I am only able to be a rideshare driver at this time. The way fares are for Oregon right now makes it so that to pay all my bills in a timely manner, I must be out working for 16 hours a day, 7 days a week. Because of this, I had to make the hard decision to relinquish my children to their father to live. My goal is to have 50/50 parenting time, and passing this bill will be a step towards this goal.

Respectfully,

Ellenor Valarida
