

Submitter:

Sue Craig

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB3489

This Bill will help bring back the support that the Timber Industry used to give by providing funds for rural areas especially. This Industry has been very successful in finding ways to stop paying taxes. It is time for them to assume their civic responsibility as they cut and receive profits from timber. Please pass this bill. It is essential to our schools, communities, especially in rural Oregon. Thank you for all your work.
