RE: SB 1166

Chair Jama, Vice-Chair Bonham, and members of the committee,

We demand fair pay!!

The deduction per trip is almost 50% and sometimes even higher. There are hidden surge charges drivers are not aware of. We only know these hidden charges because customers complain to us, similar trips are different prices, yet, these differences do not reflect in driver pay. We demand full disclosure of charges and payouts. We also demand benefits. Uber is making over a billion dollars in profit and do not provide benefits to the drivers who are doing all the heavy lifting. Respect driver rights. Respect human rights. Pass SB 1166. Thanks.

Sincerely,

Dalmar Ali
