Measure, Appointment or Topic:

SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

I got into this business to earn a living and to be able to support my family. I am a safe driver and I give my customers great service, but I know through talking to them that they are being overcharged, and I am being underpaid. For example, I drove a customer to the airport, and they paid sixty dollars and I was only paid fifteen. That is highly unfair. Which is why I need fair pay. So that I know that I'm earning a fair percentage for the work that I'm doing, especially since my expenses have gone up and I am doing all the work.

This is highly unfair, and I am asking you to help us. So that way, it's more fair and equitable. Please pass SB 1166.

Thank you.
