

Submitter: Elmer Perez

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

I have been a Lyft driver for 3 years and have been working long hours for little money. There is also a long wait time for a 10- or 15-minute ride at the airport, where the pay is ridiculous \$4.00 to \$7.00? The license plate company is charging much more. And as a driver I have to pay my vehicle, gasoline, vehicle maintenance, and on top of that we do not have any kind of medical coverage or sick days.

The truth is that it does not cover all the expenses, rent, insurance, tires and many other things. That is why we are demanding better pay and fairer treatment.

I ask that you support SB 1166. Thank you for your time.

Sincerely,
Elmer Perez
Uber and Lyft driver
