

Submitter: Hassan Hefow

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

Why do we deserve fair pay? Because we do the work, we pay for the gas, we also pay for our insurance, and we do maintenance to our own vehicle. Uber and Lyft say they only charge about 30 percent of the fare, but they actually keep 50 percent.

SB 1166 means fair pay for drivers. Please support this bill.

Thank you,
