On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB1166
Chair Jama, Vice-Chair Bonham, and members of the committee:

Please help drivers like me to pass this bill. I am a victim of unfair deactivation by Lyft months ago, and my family is now facing a financial hardship because of this unfair deactivation.

Thank you so much for standing with drivers in our great state.

Thank you,
Hameedullah Afzal
Lyft and Uber driver
