

Submitter: Annette Brainard

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: SB599

Vote No on SB 599.

Too often landlords have issues with renting to others. Many times they have to pay a lot money to clean and repair damage done by renters. Being able to background check potential renters helps with accepting applications. Oregon has a huge problem with having enough housing for legal citizens adding illegals reduces availability even more.

Thank you for your time. Vote No on SB599
