Dear Reps,

More tax is not the correct answer. If you stop wasting tax payers money and you wont need to increase taxes on us. As we all know housing costs are a major problem, I overpaid for a small piece of property with some timber, with dreams of selling the timber only to offset the cost of the purchase. This increase will only hurt me. I feel like as a normal Oregonian I already pay a stupid amount of property tax and income tax. I do not need another tax.

Respectfully,
