

Submitter: Ronnie Connell

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee  
On Education

Measure, Appointment or Topic: SB5525

The ability for OSU laboratory to be able to serve our community is imperative.  
I work in the veterinary field and have seen what an asset this is for our pets and people.

Zoonotic disease and new threatening viruses (Covid, Avian flu etc) are a threat to our society, and anything we can do to understand and mitigate risk is imperative.

Please support our local laboratory!
