Ghafar Momand

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1166

Hello,

As an Uber driver since 2018 in Portland, I've observed significant increases in living costs. However, driver compensation remains unchanged. Considering inflation, I suggest revising rates to reflect rising expenses. This is achieved in SB 1166 and I ask you to vote yes on this bill.

Thank you,

Ghafar Momand

Lyft, Uber, UZURV driver
