

Submitter: Mohammad Ghulami
On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB1166

Dear Chair Jama, Vice-Chair Bonham, and members of the committee:

As a driver for Uber and Lyft, I advocate for fair compensation that reflects the rising costs of living. Additionally, I seek protection against unfair deactivation, ensuring that my livelihood is safeguarded.

Please support the compensation and protections in Senate Bill 1166.

Thank you,

Mohammad Ghulami
