Senate Committee On Rules

Measure, Appointment or Topic:

SB1166

Chair Jama, Vice-Chair Bonham, and members of the committee,

I am writing to share my experience as a driver and ask you to support Senate Bill 1166.

I was encouraged by Uber to buy an expensive vehicle. They offered me \$1,000 off to buy this Tesla. I was making decent money on uber XL, when I have more than 4 passengers, but they just informed me that the vehicle I bought doesn't qualify for the higher pay anymore. It is really unfair because I feel like I got set up to fail.

I am an essential worker and I drive safely. I'm really proud of what I do, and I have been driving a long time, for six years. I used to get paid more and I felt like it was a little more fair, but they keep lowering my pay. Now I have to work way more hours to make the same money, and my maintenance, my fuel, my insurance, and all my expenses keep going up and up.

And that's why I need better pay, so I can be paid fairly and support my family. Thank you for your attention to this issue. Please pass Senate Bill 1166.

Respectfully,  
Mirwais Khani  
Uber driver
