On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1166

Dear Chair Jama, Vice-Chair Bonham, and members of the committee,

I want to have protections from companies doing what they want without listening to drivers. I want to be able to make a livable wage and have security in that wage from being kicked off the platform without notice or reason. Please pass Senate Bill 1166.

Thank you,
