

Submitter: Alison Kingsberry

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB3489

Last year Oregon saw at least seven mills close, causing the loss of nearly 700 jobs. With the U.S. economy in flux, now is a terrible time to pile new taxes on an industry that economic research has demonstrated already pays more than 1.5 times the taxes of other similar Oregon businesses. NO on HB3489. Thank you for your consideration.
